COLANDIS
the clean air company

C E R T I F I C A T E

COLANDIS GmbH hereby certifies the

Customer	**Liebherr-Hausgeräte Lienz GmbH**
Address	**Dr.-Hans-Liebherr-Straße 1**
ZIP/ Location	**9900 Lienz**
Country	**Austria**

that an assessment in accordance with DIN EN ISO 14644-14 including an agreement on the representative operating mode for the devices listed below has revealed the following:

ISO-Class	Remark	Operating status
3	External measurement **SRTvh 1511**	in operation
6	Internal measurement **SRTvh 1511**	in operation

The results of the measured model **SRTvh 1511** also cover the following models of the same design:

SRTvg 1501, SRTvg 1511, SRTvh 1501, HMTvh 1501, HMTvh 1511, SRTfg

The measured models have the cleanroom suitability for use within a cleanroom in relation to the table shown above. The measured devices were qualified at an operating temperature of 5 °C.

The evaluation was carried out in accordance with DIN EN ISO 14644-1.

Associated reports: 207735-3 dated 03/24/2025
